Election of Officers for 2011

According to our constitution we need to vote each year for officers. If you would like one of the positions or want to suggest someone, please call me at 863 2628. 2010 officers are Pres: Gail Cramer, Vice Pres.: Linda Mosher, Treasurer: Charles Downing, Secretary: Loretta Darling. They have all agreed to serve again for another year. Please RSVP to cramergm@roadrunner.com to vote or vote at the Christmas Party.

FIRE TRUCK

The NNHS voted to buy a "Garage in a Box" to house the fire truck which has been moved to the Cramer's property. Larry has purchased it and assembled it, including smashing and cutting his thumb in the process. He pulled the truck into it with the John Deere. You are invited to drive in and look at it anytime.
